Health Savings Accounts (HSA) are becoming a popular solution to paying for healthcare related

expenses. If you are unsure what you can and cannot use the money in your HSA for, you are in luck. I have listed below expenses that qualify and do not qualify as eligible expenses. Of course, be certain to verify your expense is eligible. As much as I try to keep this listed up to date, there are some expenses that may become eligible/ineligible that I do not update right away.
